REPORT OF THE BOARD OF EDUCATION.

The Board of Education has been very fortunate the past year, in securing capable teachers. The fact that our teachers, without exception, have remained with us throughout the year is significant of the excellent satisfaction which they have given.

We believe that our schools in number of weeks and quality of work done will compare favorably with schools of like grade in neighboring towns, and we bespeak for them a continuation of the wisely liberal support which has made this condition possible.

Our school-houses, generally, are a credit to the town with the exception of the one at the village. This building has been built many years, and, at present, it is not one of which our citizens can be proud. Many of them feel that the time has come when the best interests of the town call for a new building. We would ask that the voters of the district give to this important matter their serious consideration.

The following is the ROLL OF PERFECT ATTENDANCE by schools and terms:—

VILLAGE,—GRAMMAR.

Spring term:—Chauncey W. Payne, Morton A. Wadleigh, Rodney A. Pearsons.

Fall term:—Erwin Perkins, Leslie Perkins, Rodney A. Pearsons.

Winter term:—Chauncey W. Payne.
